

# WRITE A WANT AD--WHEN YOU'VE GOT SOMETHING TO SELL IT

## An Investment

Has it ever occurred to you how great the profit of a Want Ad can be to the advertiser? How small the cost of it compared with the results it can bring? The risk on almost every other form of investment is usually in proportion to the profits expected. Not so with the Want Ad.

A "deal" may involve \$5, or it may be \$500, yet the cost to the advertiser may be counted in cents.

Think of this, and you will understand why The Herald-Republican Want Ads are increasing every day—they are business-getters.

Bel Exchange 20, Ind. 357, connects you with the Want Ad Dept.
